Yes I will be on. We can begin implementation at the beginning of the new school year. That way everyone has a chance to provide the over for their systems and get people prepared. We can also discuss them at the LEA collaborative in January.

Good Morning Nakeba!

Are you planning to be online today for the meeting at 1pm on the Consideration of Services?

If not, please let me know what I should tell Directors regarding implementation of these forms - are they to be implemented immediately, in January or in FY19? I'm sure this question will come up.

Thanks!

Pat
